Sweet little oceanfront condo in the popular Hidden Harbour development on Discovery Passage. One of the premier locations along the Campbell River waterfront, within walking distance of downtown, the hospital and the popular Seawalk.

Made up of three residential buildings and a private marina, Hidden Harbour features private storage lockers, wheelchair accessibility, gated access with camera surveillance, underground parking and an aquatic centre for the benefit of all owners.

Unit 1204 is a corner unit in Beach Lodge, with amazing views down Georgia Strait and across to Quadra Island. This is a cozy, one bedroom home with good natural light year-round and ocean views from

the dining room and living space. There is a covered patio with glass railings to enjoy the southern views and outdoor relaxing. While the patio does take in some road activity, there is privacy screening on the side facing the road, and the patio is very private as it does not look at any other patios or units in the building. A large glass door leads out to the patio from the living room.

**794sqft one bedroom unit | covered oceanfront patio**

The kitchen is bright with attractive countertops and backsplash. There is bar seating at the counter peninsula that divides the living room from the kitchen. Blond laminate flooring and light coloured walls add a nice brightness to the space. The unit has in-suite laundry.

The second floor is accessed from the outdoor parking lot main level, so no stairs or elevator to the entrance of the unit. The entryway is covered and private.

A separate storage unit in the underground parking has power with an outlet, so a freezer could be plugged in.

The aquatic center includes a good size swimming pool, large built-in hot tub and a fully equipped exercise room with access out to a cement patio. In the same building is a common room with kitchen space that can be booked for functions and private parties. This building can be accessed through the underground parking – no need to walk outside to get to it for a swim or to work out.

*pool, hot tub, exercise room | marina facilities | gated access*

The gardens and common property spaces are beautifully landscaped and well-maintained, with pathways between the buildings, to the marina and to the beachfront.

The marina facilities are exceptional. They are encompassed within a large breakwater and the docks and walkways are all constructed to high standards with quality materials. There is water and power available on the dock and each unit has its own private slip to accommodate boats up to 26 feet in length. This is a unique feature – only minutes from your doorstep are the waters of Discovery passage and access to places such as Desolation Sound Marine Park and the Discovery Island Group.

The strata allows pets and long-term rentals.

Enjoy the ultimate in west coast living in this premier Campbell River condo development! Listen to the waves on the beach from your kitchen, living room and bedroom and watch the action on the

water with boats, weather and wildlife, then take your boat out without having to drive it anywhere first.

The beautiful community of Campbell River is located on the east coast of central Vancouver Island between Strathcona Park to the west, and the Discovery Islands to the east. Serving a city population of approximately 37,000, Campbell River is also the service centre for the communities on northern Vancouver Island. The city has all services and amenities, including a large hospital, a North Island College campus, rec centres, museums, major shopping anchors and a wide variety of smaller shops, a vibrant restaurant and food culture, and a growing arts community. Renowned for its amazing forests and easy access shoreline, the city prides itself on the popular paved sea walk that runs along the oceanfront as well as the forest trails which surround the community.

Campbell River is nestled in a region rich in natural resources, scenic beauty and an incredible variety of wildlife. One of the four main fishing centres on Vancouver Island, the city is internationally famous for both its ocean and freshwater fishing and the year-round salmon fishing in Discovery Passage is unmatched. From world-class golf and ocean diving to skiing, kayaking, hiking and mountain biking, visitors marvel at the variety of outdoor activities this region has to offer, all with Campbell River as a comfortable home base. Whether looking for exciting outdoor adventure or to simply appreciate the natural beauty of the region, Campbell River offers easy access.
