## Rare investment opportunity in the coastal village of Tahsis!

Rare investment opportunity in the coastal village of Tahsis! This region is popular for its easy access to west coast fishing as well as with outdoor recreation enthusiasts. There is a full service marina providing moorage and a public boat launch in the village. Tahsis is accessible by gravel road, along the Tree to Sea Drive from Gold River.

This unique commercial property offers beautiful ocean, river, and mountain views from all sides.

Locally known as the H-HUT for its distinctive layout, the one-story 8340sqft building is divided into four wings connected by a central communal corridor. Three of the wings are fully developed and feature: 4 full kitchens + 1 kitchenette, 19 bedrooms, 9 bathrooms, and 2 laundry rooms. These could be rented out as individual units or operated as a lodge or for long-term work contracts. Lots of possibilities for a variety of applications.

### 794sqft one bedroom unit | covered oceanfront patio

The fourth wing is an open, flexible area currently used for storage, offering exceptional potential for future development, customization, or expansion. C1 zoning allows for a wide range of commercial uses, including offices, retail, food services, lodging, etc. The layout allows for different uses in the one building, or it could be used to create a destination lodging business.

With its diverse suite layouts, strong rental potential, and breathtaking natural surroundings, this property is ideal for investors seeking a commercial asset in a beautiful West Coast location.

The Village of Tahsis has a small but active full-time community, as well as many property owners who regularly visit during the fishing season. It offers restaurants, grocery store, building supply store, a recreational centre, public library, health centre, school, accommodations, and full-service gas station. The community has high-speed internet cable TV service.

The coastal village of Tahsis is situated at the head of protected Tahsis Inlet, on the West Coast of Vancouver Island near Nootka Sound. Tahsis offers access to a number of wilderness hiking trails, caving, incredible ocean kayaking, scuba diving, wind surfing, sailing and canoeing. The area is best known for offering world-class sport fishing as massive runs of salmon migrate down the west of British Columbia to their spawning grounds in coastal streams and rivers. Anglers can also venture out to the Pacific Ocean where fishing is excellent for halibut, flounder, rockfish and lingcod. Crabs, prawns, shrimp, oysters and other seafood are also plentiful. Wildlife abounds! Black bear, wolves, cougars, Roosevelt elk and coastal black-tailed deer are frequent visitors to this area. Guests from around the world marvel at the eagles, sea lions, whales and other marine wildlife that is common in the nearby waters. The picturesque and versatile west coast village offers a full-service marina and a safe, friendly small town atmosphere that boasts an incredible blend of outdoor adventures and rugged and breathtaking scenery.
