1689sqft home in the Village of Tahsis, on the west coast of Vancouver Island.

This region is popular for its easy access to west coast fishing as well as with outdoor recreation enthusiasts. There is a full service marina providing moorage and a public boat launch in the village. Tahsis is accessible by gravel road, along the Tree to Sea Drive from Gold River.

Situated on a corner, this lot offers good space for parking, garden or boat storage. There is a shed and a Quonset hut on the property.

The 1689sqft 2 story home has 3 bedrooms, kitchen dining room, living room and a bathroom on the upper floor, while the ground level features a one bedroom suite and a large entrance foyer. Both the upper and lower level have baseboard heating with mini splits added recently. The windows throughout the home have been updated in the last five years and the water tank was replaced two years ago.

1689sqft home | 3 bed/1 bath | 1 bedroom suite

The stairs to the upper level open to the living room and the hallway leading to the bedrooms and bathroom. The dining room is adjacent to the living room and opens into the galley-style kitchen, with ample cabinetry and a large window over the sink for natural light. A second entry leads from the kitchen out to the hallway. The three piece bathroom features a large soaker tub with hand rails for assisted access in and out.

The lower suite has an entrance from the main foyer as well as a door to the carport, creating a locked off unit with separate entrance. The suite offers an adjoined living/kitchen space, one bedroom, and a bathroom.

A small carport provides additional storage and parking space.

Short term rentals and secondary suites are permitted with this zoning.

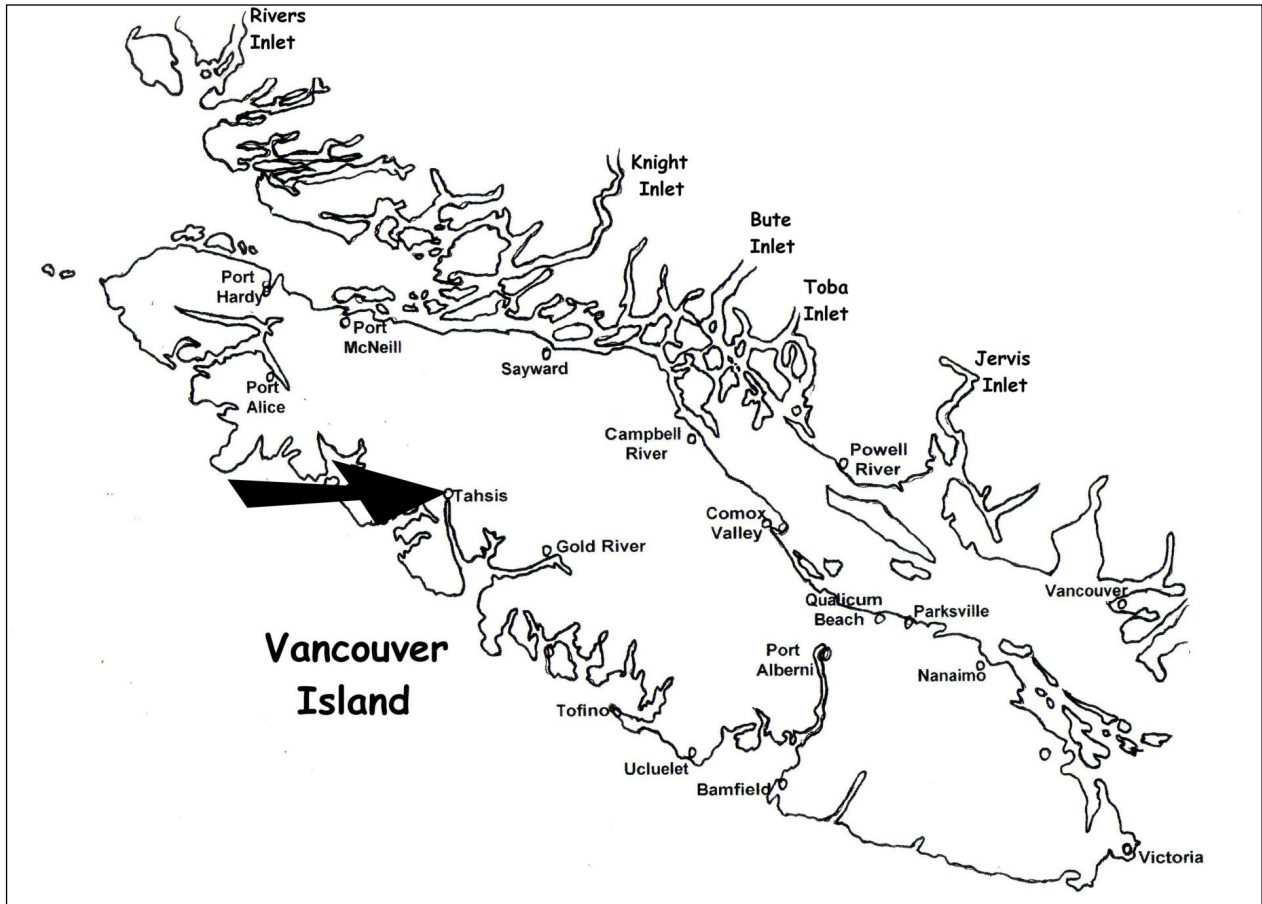

The Village of Tahsis has a small but active full-time community, as well as many property owners who regularly visit during the fishing season. It offers restaurants, grocery store, building supply store, a recreational centre, public library, health centre, school, accommodations, and full-service gas station. The community has high-speed internet cable TV service.

The coastal village of Tahsis is situated at the head of protected Tahsis Inlet, on the West Coast of Vancouver Island near Nootka Sound. Tahsis offers access to a number of wilderness hiking trails, caving, incredible ocean kayaking, scuba diving, wind surfing, sailing and canoeing. The area is best known for offering world-class sport fishing as massive runs of salmon migrate down the west of British Columbia to their spawning grounds in coastal streams and rivers.

Anglers can also venture out to the Pacific Ocean where fishing is excellent for halibut, flounder, rockfish and lingcod. Crabs, prawns, shrimp, oysters and other seafood are also plentiful. Wildlife abounds! Black bear, wolves, cougars, Roosevelt elk and coastal black-tailed deer are frequent visitors to this area. Guests from around the world marvel at the eagles, sea lions, whales and other marine wildlife that is common in the nearby waters. The picturesque and versatile west coast village offers a full-service marina and a safe, friendly small town atmosphere that boasts an incredible blend of outdoor adventures and rugged and breathtaking scenery.
