The Industrial Park is accessed off Highway 19 and Duncan Bay Rd, just minutes from downtown and is home to a number of businesses, including a self-storage company, marine towing company, glass business and contracting companies.

This is a cleared, level lot, partially paved and fully fenced (except for one corner) with a gate at the road entrance. There is a large shop with power and an oversized covered shelter beside the shop, providing ample space for work and storage. Additionally there are two residences on site.

The 32x51ft Pioneer Steel Manufacturing metal frame shop offers 1632sqft of workspace with a cement pad floor. The ceiling height is 16' 10", and the rolling door

at the front is 14'x14'. There is also a man door for easy access. The shop has both 600v industrial service and 220v electrical service. Heat is from a woodstove and an electric heater, and there is a 2 piece bathroom.

Beside the metal shop, and almost the same size, is a 45x32ft covered shelter. The metal frame is covered with a tarp that reaches to the ground on either side, open at the ends.

There are two ancillary dwellings on site. One is a 600sqft Victorian-style 1bed/1 bath home while the other is an approximately 865sqft 1 bed/1bath home. These units sit on cement pads, one at the front of the lot and one in the back corner beside the covered shelter.

Zoning for this property provides great versatility, as it allows for manufacturing, processing, fabricating

assembling, packaging, and transport or shipping of goods and services, including marine transport and water-based industrial activities. This could include equipment sales, lumber yard, wholesale, warehouse, etc.

The beautiful community of Campbell River is located on the east coast of central Vancouver Island between Strathcona Park to the west, and the Discovery Islands to the east. Serving a city population of approximately 37,000, Campbell River is also the service centre for the communities on northern Vancouver Island. The city has all services and amenities, including a large hospital, a North Island College campus, rec centres, museums, major shopping anchors and a wide variety of smaller shops, a vibrant restaurant and food culture, and a growing arts community. Renowned for its amazing forests and easy access shoreline, the city prides

1632sqft shop | 45x32 covered shelter | two ancillary dwellings

itself on the popular paved sea walk that runs along the oceanfront as well as the forest trails which surround the community.

Campbell River is nestled in a region rich in natural resources, scenic beauty and an incredible variety of wildlife. One of the four main fishing centres on Vancouver Island, the city is internationally famous for both its ocean and freshwater fishing and the year-round salmon fishing in Discovery Passage is unmatched. From world-class golf and ocean diving to skiing, kayaking, hiking and mountain biking, visitors marvel at the variety of outdoor activities this region has to offer, all with Campbell River as a comfortable home base. Whether looking for exciting outdoor adventure or to simply appreciate the natural beauty of the region, Campbell River offers easy access.

CITY OF CAMPBELL RIVER
Zoning Bylaw 3250, 2006

Schedule "A"
