An opportunity for a new tourist accommodation business to get established or for an existing one to expand into a new community!

This 1.25 acre oceanfront property has paved road access with all services to the lot, and the Village is open to ideas and concepts for a great new hotel/motel development for tourism accommodation.

Port Alice, the gateway to the west coast on beautiful northern Vancouver Island, wants to develop more tourist/travel accommodation in accordance with their economic development plan. This property is being offered for sale specifically for this purpose.

Port Alice is situated along the shores of Neroutsos Inlet. The village has a complement of essential services, with more available in the communities of Port McNeill and Port Hardy, approximately 50 minutes along Highway 30 and Highway 19. This is a quiet, tranquil community and location.

The Village of Port Alice is offering for sale an oceanfront property for development into tourist accommodations. The property has a development-friendly topography with services readily available, beautiful south-west exposure and a walk-on round stone pebble beach.

Travel accommodation opportunity | 1.25 acre property | 140ft walk-on oceanfront

The property is 1.25 acres. It has a nice, gradual southern slope towards the 140ft of walk-on oceanfront. The lot is mostly cleared.

Neighbouring properties include to the east Village of Port Alice parkland and just minutes away the Port Alice Yacht Club / Marina facilities and a public boat launch, truck trailer parking and moorage facilities managed by the Village. To the west is the Port Alice Health Centre with lots of green space separating the facilities from the development lot.

The property is a stunning oceanfront location and Council would like to see a higher end motel / hotel built there.

Port Alice is located on Neroutsos Inlet, one of Vancouver Island's gateways to the wild and wonderful west coast. This small community is a popular spot for outdoor exploring, with good fishing and sightseeing out in Quatsino Sound and nearby Alice and Victoria Lakes with rainbow, bull and cutthroat trout, sockeye and coho salmon. Pawning is possible just off-shore from the Village. Whales, sea otters, seals and sea lions visit the inlet and surrounding waters while deer, bears, eagles and various seabirds frequent the shores and surrounding lands.
