Advance Realty Ltd. 

An opportunity to acquire a newly rebuilt unit in this popular Tahsis building! This unit offers updated electrical and heating systems and will have fresh paint and flooring throughout when the build is complete.

The Tahsis Springs condo building is just a few blocks up from the ocean, in the Village of Tahsis on the west coast of Vancouver Island. This region is popular for its easy access to west coast fishing as well as with outdoor recreation enthusiasts. There is a full service marina providing moorage and a public boat launch in the village. Tahsis is accessible by gravel road, along the Tree to Sea Drive from Gold River.

3 bedroom | 1 bathroom | First Floor Unit

This 3 bedroom, 1 bathroom unit is on the first floor facing the street and looking across to the green space and river. It suffered a fire that has resulted in a complete rebuild of the unit, currently underway. During the rebuild the wiring and heating in the unit has been installed to the latest standards. The kitchen will have brand new counters and cabinetry, with a dishwasher connection and appliances to be negotiated. This will be the most updated unit in the building when it is complete!

On the third floor is a common patio area complete with tables and barbeques, which overlooks the Tahsis River. There is shared laundry on the second and third floors and another common patio area on the ground level. At the entrance to the building is a large foyer/seating area with tables and chairs. The large parking lot with ample space means room for boats and RVs!

The building is well-cared for and has an on-site manager. Great accommodation for either full-time living or to use as a base for fishing or outdoor recreation. Rentals and pets are allowed, making this a good investment potential.

This is a court-ordered sale.

The coastal village of Tahsis is situated at the head of protected Tahsis Inlet, on the West Coast of Vancouver Island near Nootka Sound. Tahsis offers access to a number of wilderness hiking trails, caving, incredible ocean kayaking, scuba diving, wind surfing, sailing and canoeing. The area is best known for offering world-class sport fishing as massive runs of salmon migrate down the west of British Columbia to their spawning grounds in coastal streams and rivers. Anglers can also venture out to the Pacific Ocean where fishing is excellent for halibut, flounder, rockfish and lingcod. Crabs, prawns, shrimp, oysters and other seafood are also plentiful. Wildlife abounds! Black bear, wolves, cougars, Roosevelt elk and coastal black-tailed deer are frequent visitors to this area. Guests from around the world marvel at the eagles, sea lions, whales and other marine wildlife that is common in the nearby waters. The picturesque and versatile west coast village offers a full-service marina and a safe, friendly small town atmosphere that boasts an incredible blend of outdoor adventures and rugged and breathtaking scenery.
