Unit 406 is second to the end on the top floor, ensuring great privacy. Being on the top floor it also has two skylights – one in the entryway and one in the ensuite bathroom. These increase the natural light coming into the unit.

The large kitchen offers ample counter space and has a pass-through to the living area. The living space is large enough to accommodate many different furniture and use arrangements. The large picture windows take in the views, while a door provides access to the large oceanfront balcony.

Both the primary and second bedrooms have sliding doors out to the balcony. The primary bedroom has a walk-in closet and a large ensuite bathroom with a bathtub and shower. The second bathroom is across from the second bedroom and has a shower. Both bathrooms have good vanity space.

Additional features of the unit include baseboard heating, in-unit laundry and a large closet in the entryway. The skylights have plexiglass covers at ceiling height, which could be removed for more natural light. There is a storage room with a dedicated locked open storage area on the same floor.

The views from the windows and the patio of the unit are stunning, looking out over the beginning of Discovery Passage, Quadra Island and the mainland mountains, as well as the long stretch of beach in front. The marine traffic and wildlife provide ever-changing scenery.

Ocean Shores is a well-run and maintained strata complex. Amenities include a common beach house which offers a space for events and gatherings, an oceanfront firepit and a workshop. There is a small boat launch by the building.

The beautiful community of Campbell River is located on the east coast of central Vancouver Island between Strathcona Park to the west, and the Discovery Islands to the east. Serving a city population of approximately 37,000, Campbell River is also the service centre for the communities on northern Vancouver Island. The city has all services and amenities, including a large hospital, a North Island College campus, rec centres, museums, major shopping anchors and a wide variety of smaller shops, a vibrant restaurant and food culture, and a growing arts

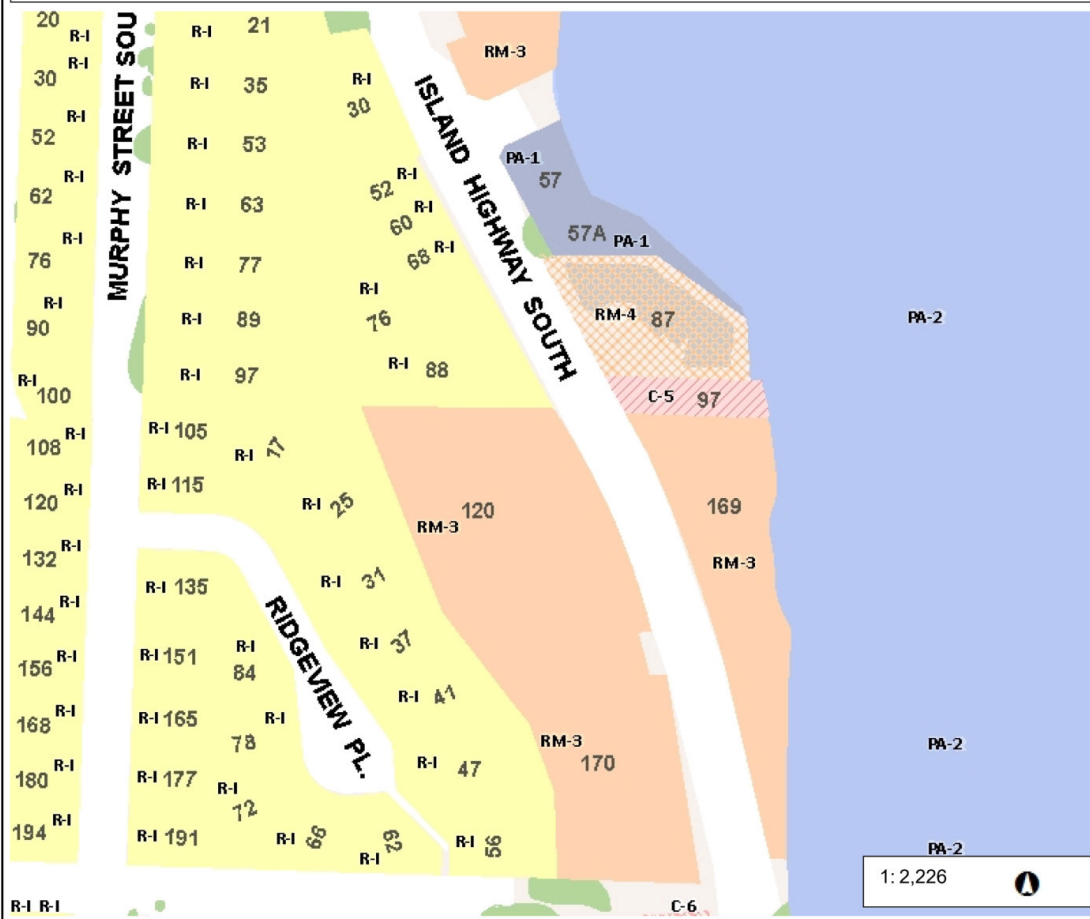

community. Renowned for its amazing forests and easy access shoreline, the city prides itself on the popular paved sea walk that runs along the oceanfront as well as the forest trails which surround the community.

Campbell River is nestled in a region rich in natural resources, scenic beauty and an incredible variety of wildlife. One of the four main fishing centres on Vancouver Island, the city is internationally famous for both its ocean and freshwater fishing and the year-round salmon fishing in Discovery Passage is unmatched. From world-class golf and ocean diving to skiing, kayaking, hiking and mountain biking, visitors marvel at the variety of outdoor activities this region has to offer, all with Campbell River as a comfortable home base. Whether looking for exciting outdoor adventure or to simply appreciate the natural beauty of the region, Campbell River offers easy access.
