5.04 acres | Highbank oceanfront

Currently, the last of the four exclusive oceanfront properties is offered for sale. SL4 is a 5.04 acre highbank oceanfront lot that offers a private, peaceful island sanctuary away from the hustle and bustle of everyday life. It is the only lot with direct access to the trailhead for the path leading to the secluded beach below and the abundant community garden is in close proximity.

The seller has gone to great lengths to respectfully create these subdivided lands. This included commissioning a

number of reports and evaluations such as environmental, geotechnical, and detailed surveys. This work simplifies the process for development planning and eliminates the need for someone else to go to the effort and expense.

In addition, the acreages have been evaluated and are suitable for the installation of septic systems, which will be the buyer's responsibility for each strata lot. Services include BC Hydro electrical power, which comes in overhead along the driveway to SL 6 and then is underground throughout and to the individual lots. You'll also have access to landline telephone service, cell phone service, and options for internet.

The other oceanfront lot owners have begun developing their properties, with the beautiful high-end homes adding to the special nature of this island neighbourhood.

Don't miss out on the opportunity to own a piece of outdoor heaven. Quadra Estates offers a unique blend of natural beauty, convenience, and tranquility. So why not make like a tree and leaf the hustle and bustle behind? Come see for yourself why this property is the perfect place to call home.

Quadra Island is the largest (approximately 34 km long) and most populated (approximately 2,700 full-time residents) of the Discovery Island group. The breathtaking wilderness scenery, mild temperate climate, and natural beauty make it a popular destination for visitors from around the world. There are complete services on the island as well as a wide variety of accommodation and dining from deluxe resorts to rustic campsites. Unlimited adventure recreation includes sport fishing, diving, hiking on over 200 km of hiking trails, sea kayaking, powerboat

and sailing. There are many beaches, sheltered coves, protected channels and islets along the intricate shoreline and the rich waters fed by large tidal exchanges nourish abundant marine life. All regular services are available on Quadra and the full service community of Campbell River on Vancouver Island is just a 10-minute ferry ride away from Quathiaski Cove. From Heriot Bay, ferry service operates to Whaletown on Cortes Island.
