Lot 17

Zeballos, Vancouver Island

\$74,900 Canadian

bcoceanfront.com

Located in the Village of Zeballos, on the west coast of Vancouver Island, this residential lot provides an opportunity for someone looking to move to the west coast, or to establish a summer base on the coast.

The small coastal hamlet of Zeballos is located approximately 14 nautical miles from the Pacific Ocean and one of the premier fishing regions on Vancouver Island. It is 17 nautical miles from Tahsis, a small coastal community in the neighbouring inlet to the south.

The property is in the heart of the Village, nestled at the foot of the mountains which surround this coastal village. It has BC Hydro electrical service as well as domestic water from the Village of Zeballos. A septic system would need to be installed for development of the property, with the appropriate approval from the Village and any other required governing bodies.

0.30 acres | Undeveloped Lot | Driveway in place

bcoceanfront.com

The lot is 0.30 acres, with most of the usable space at the road as the back of the property rises up quite steeply to the mountain side behind.

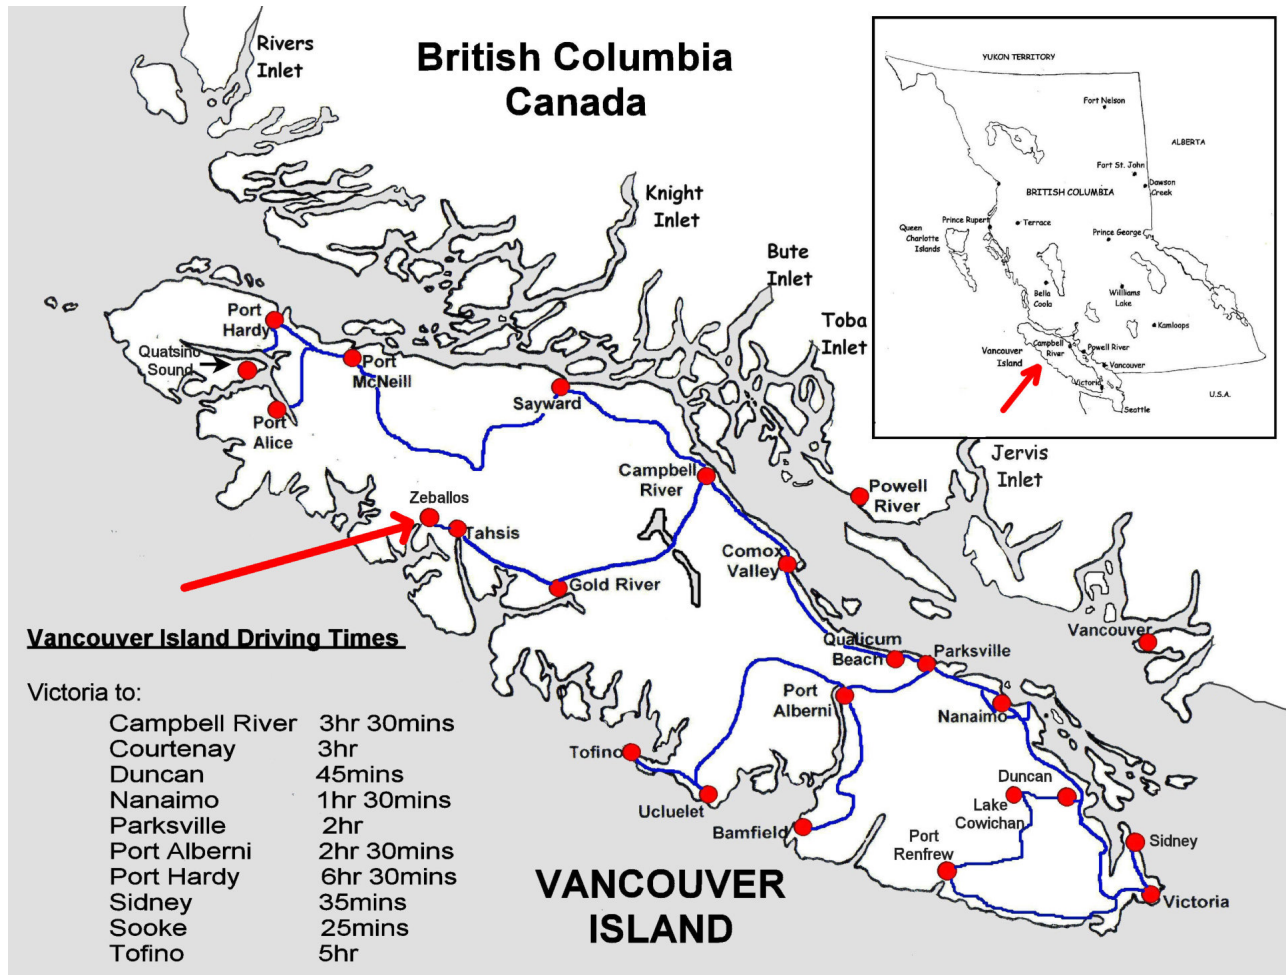

The property has been assessed for septic service and there is a quote and plan available for the work and system proposed.

Village Mixed Use zoning allows a variety of uses on this lot, such as a single family residence, duplex or mobile home.

Zeballos is on the west coast of Vancouver Island, accessed by road from Hwy 19 just north of Woss. This is a Forest Service gravel road and can be in varying condition throughout the year. The community of Zeballos first started with gold miners, and then became a logging hub. Now its biggest draw is tourism - as coastal explorers and fishermen come to visit the rugged west coast of Vancouver Island. There is both fresh water and salt water fishing, as the Zeballos River runs through town. The community has a population of approximately 125 and there are limited services, including a medical clinic, general store, marina and boat fuel sales. In the summer there are a number of accommodation options, including a motel with a small restaurant and liquor licence. Zeballos calls itself the Golden Gate to the West Coast. It offers access to Nootka Sound and the fishing on the west coast of the island, as well as the provincial parks of the northern Island (Woss, Brooks Peninsula, Cape Scott).
