Welcome to Quadra Estates, a beautiful and diverse acreage located on the southern shores of Quadra Island. With fewer residences and larger properties, this location is a breath of fresh air!

Just minutes away from Quathiaski Cove, you'll be able to catch the ferry to Vancouver Island and explore all the outdoor activities that the area has to offer.

As you drive down the private, meandering forest-lined driveway, you'll feel like you've entered a whole new world. With a mix of substantial standing forest and beautiful pastoral land, this property boasts a variety of natural features that make it a real gem. Plus, a valley ravine leads to a secluded beach where you can shuck your stress away and enjoy some much-needed R&R.

This 77.27 acre exclusive community has been subdivided into a variety of diverse and appealing titles, from 5 acre highbank oceanfront pastoral lots to an inland 5 acre lot bordering the ravine towards the ocean, a 10 acre parcel which accommodates the original home and a 30 acre beautifully forested inland acreage.

29.9 acres | forested

Lot 7 offers great privacy, with large fir trees and level topography, yet shares the benefit of common access to the secluded beach front and amenities of the strata group. Zoning would permit four single family residences with suites, or three residences and a cottage. Build your rural estate on this appealing property.

Services include BC Hydro electrical power, which comes in overhead along the driveway to SL 6 and then is underground throughout and to the individual lots. You'll also have access to landline telephone service, cell phone service, and options for internet. There is a drilled well on Lot 7 that a buyer may be able to connect to for domestic water. Septic service will be the owner's responsibility.

Some of the oceanfront lot owners have begun developing their properties, with the beautiful high-end homes adding to the special nature of this island neighbourhood.

Don't miss out on the opportunity to own a piece of outdoor heaven. Quadra Estates offers a unique blend of natural beauty, convenience, and tranquility. So why not make like a tree and leaf the hustle and bustle behind? Come see for yourself why this property is the perfect place to call home.

Quadra Island is the largest (approximately 34 km long) and most populated (approximately 2,700 full-time residents) of the Discovery Island group. It lies between Campbell River on Vancouver Island and the mainland coast of British Columbia, off Canada's west coast. Quadra's residents enjoy a rural lifestyle surrounded by a clean unspoiled environment. The breathtaking wilderness scenery, mild temperate climate, and natural beauty make it a popular destination for visitors from around the world.

There are complete services on the island as well as a wide variety of accommodation and dining from deluxe resorts to rustic campsites. Unlimited adventure recreation includes sport fishing, diving, hiking on over 200 km of hiking trails, sea kayaking,

powerboat and sailing. There are many beaches, sheltered coves, protected channels and islets along the intricate shoreline and the rich waters fed by large tidal exchanges nourish abundant marine life. All regular services are available on Quadra and the full service community of Campbell River on Vancouver Island is just a 10-minute ferry ride away from Quathiaski Cove. From Heriot Bay, ferry service operates to Whaletown on Cortes Island.
